

Health Care:

We also supply pillowcases, towels, blankets, patient gowns, cleaning cloths, aprons, bedsheets, and more to nursing homes and hospitals. The healthcare linens we provide are made from durable fabrics that can withstand the harsh laundry system.

Commercial Laundry

Many companies opt for a commercial laundry service to supply and wash their linens. We sell premium quality sheets, table linens, towels, and more so you can provide your clients with the best. Our experts offer a wide range of styles and sizes for these linens.

Health and Beauty

If you have a spa, salon, or fitness club, you require high-quality spa sheets, facial towels, and robes. Our exquisite linen products ensure your customers are comfortable while they are getting their massage. Our towels are soft and fluffy which make them perfect for facial spas and hair salons.

Hospitality

Our company is the leading linens supplier with distinctive design details and colour palettes. We supply bath towels, mattress covers, hand towels, pillowcases, bedsheets, robes, blankets, bath mats, pool towels, and more. Our exceptionally durable products can withstand multiple washes, making them ideal for hotels, resorts, motels, inns, or Airbnbs. Our manufacturers also ensure the linens are created with a non-crease fabric and have a premium finish so they can maintain their original appearance.

Automotive

Anyone working in the automotive industry needs linens with a high absorbency rate and cellulose in the composition. We supply high-quality and absorbent linens to give you ultimate control when cleaning or detailing cars. Some of our products include cloths, wiping rags, microfibre towels, or shop towels. Our affordable rates and superior quality make us a top supplier in the automotive industry.

Food Services

We understand that food service linens should be machine washable, made from durable material, and absorbent. Whether you own a restaurant or bar, catering business, or any other food handling business, we have got you covered. We supply top quality aprons, kitchen towels, tablecloths, napkins, bar towels, and more.
